

SUPPORTING ENGLISH LANGUAGE LEARNERS

APPENDIX B: RECORD OF MODIFICATIONS

Modification of some or all of the curriculum expectations may be required to support English language learners, especially those who are in the early stages of learning English or those who have had limited prior schooling (*Growing Success*, 28). When deciding upon appropriate modifications or accommodations, consider the ELL's English language proficiency, prior knowledge, learning style, readiness and interests (*Supporting English Language Learners in Grades 1-8*, 51).
