What do Student Trustees do?

A Student Trustee is a representative of the students for the school board and are present at the board table. They offer insights, opinions or perspectives on behalf of all students in the UCDSB. The role of the Student Trustee has three key elements where they represent the views of students or support student leadership:

1. Serving as the Chairperson of the UCDSB Student Senate. The Senate meets four times during the school year, with representatives from each UCDSB secondary school;
2. Attending Board Meetings held by the public school board in Brockville, either in person or through electronic means. These meetings are held on the second and fourth Wednesday evening, each month. The Student Trustees presents reports to the Board after each Student Senate meeting and is authorized to participate in all Board public meetings according to the Acts and Regulations of the Ministry of Education.
3. Attending the two [Ontario Student Trustee Association's \(OSTA-AECO\) conferences \(Toronto / Ottawa\)](#), as well as being an active member of this organization.

The term of office for the Student Trustee is August 1, 2021 to July 31, 2022. The total honorarium accorded to a Student Trustee who holds office for a complete term is \$2,500.00. If a Student Trustee holds office for less than a complete term, the \$2,500.00 is prorated according to the proportion of term served.
